

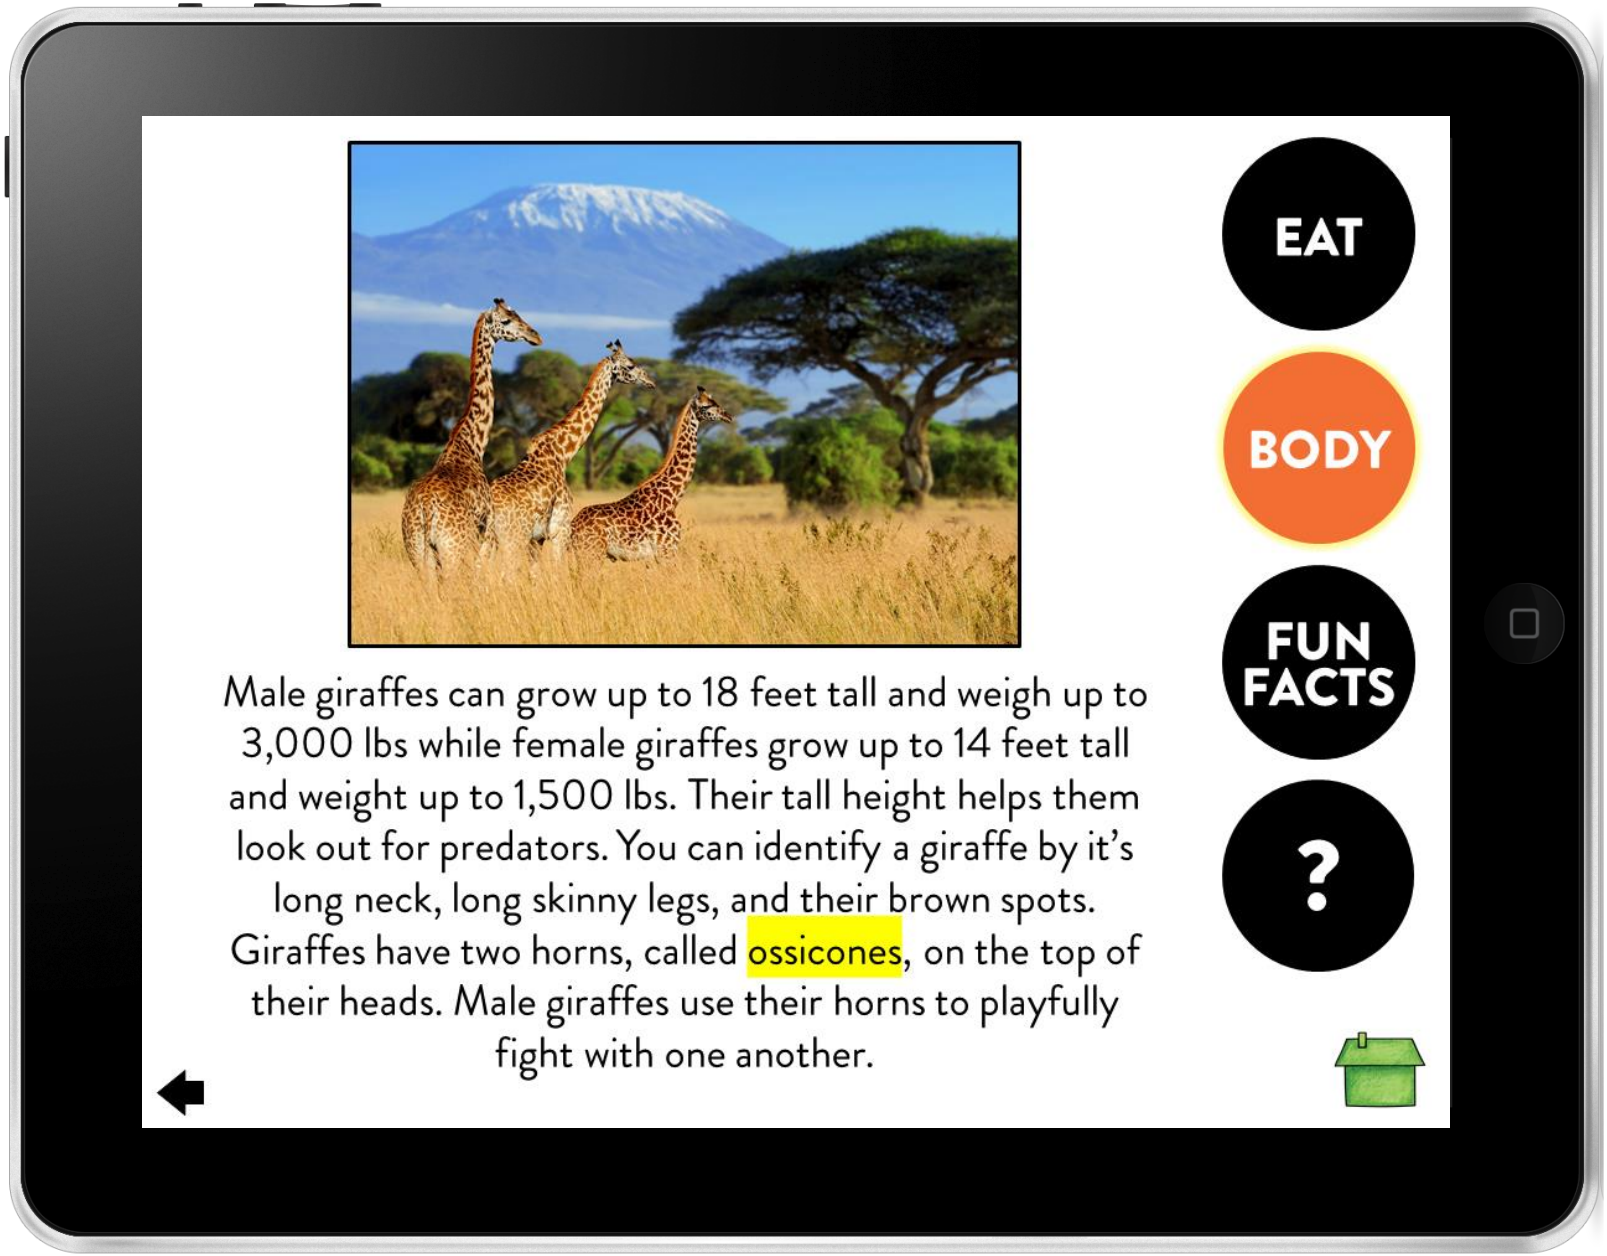
DIGITAL NONFICTION!

The main chunk of this resources is a 100+ page digital database!

Students click and read their way through learning about 8 different nonfiction passages about African Animals:

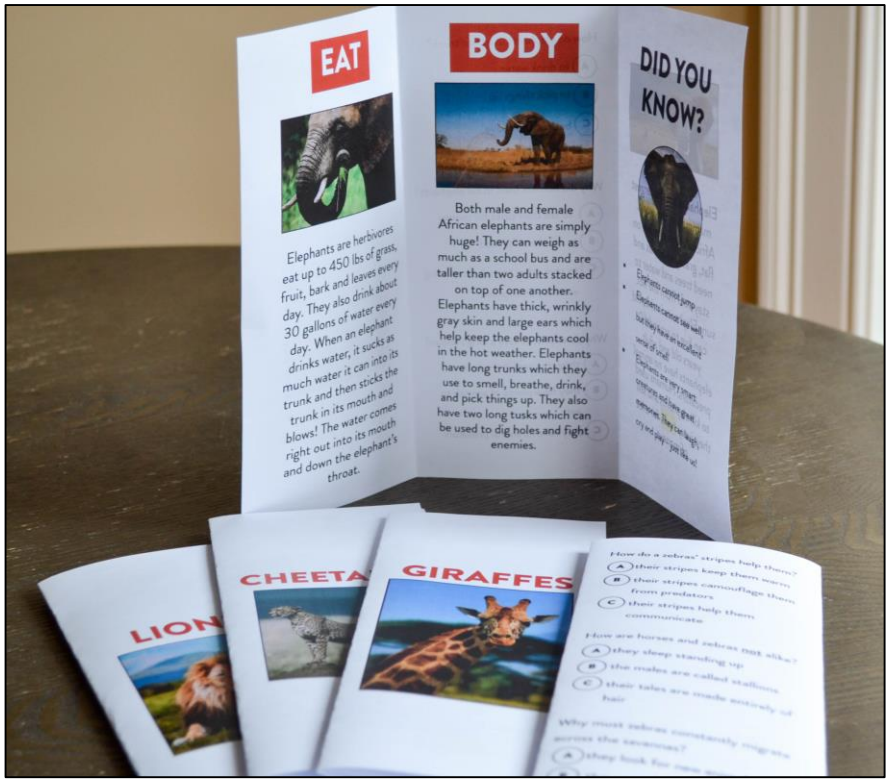
- Giraffes
- Elephants
- Lions
- Zebras
- Hippos
- Rhinos
- Okapis
- Cheetahs

At the end of reading about each animal, students can take an interactive quiz to see what they have learned!



- Students can click on the on the circles to read different sections about their animals.
- The (?) circle brings them to the quiz.
- They can click on the green house in the corner to go back to the home screen.
- They can also click on the arrow to go to the previous page.

NONFICTION
BROCHURES

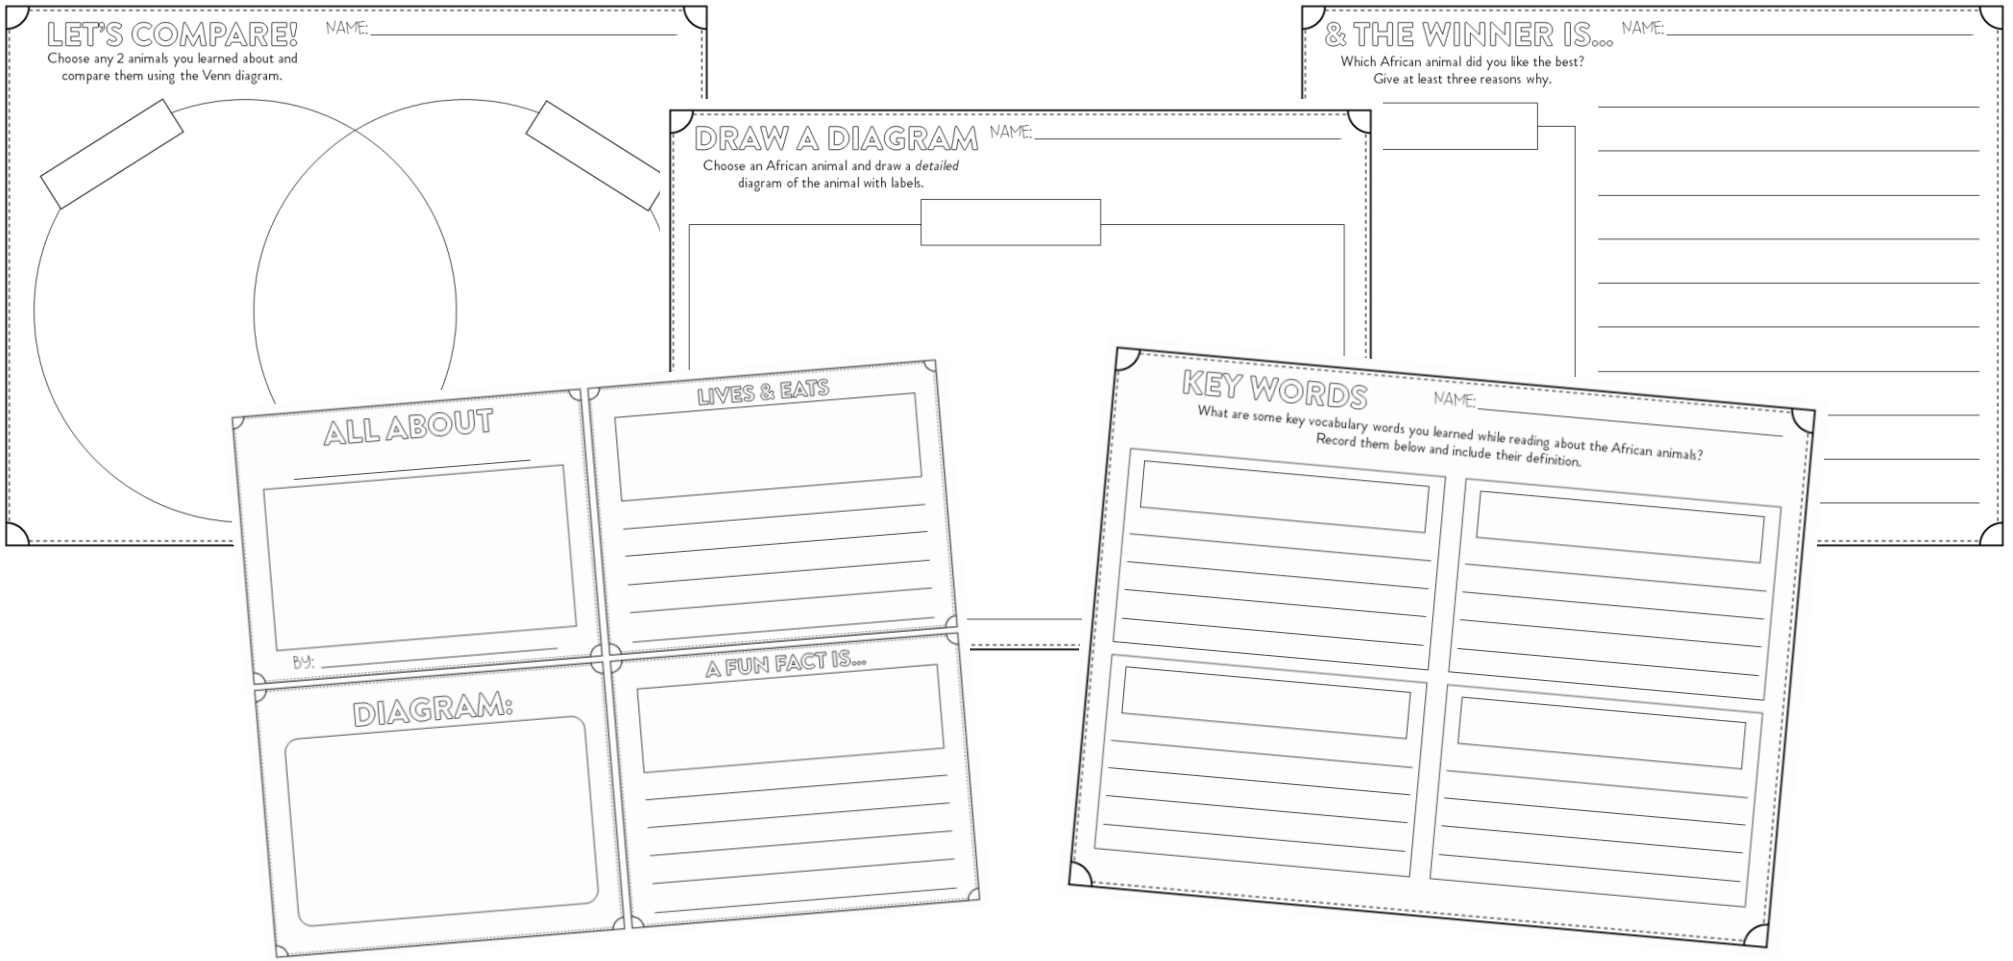


These brochures are the perfect way to easily pass out the same information that is in the digital slideshows. Students receive all the same content and answer the same questions. Just copy both pages back-to-back (turn the second page upside down when copying) to create a double sided brochure and fold in three parts. There is a color and B&W option for each animal.

NONFICTION
NOTE-TAKING SHEETS

As students read and research their animals, they can use the following note-taking sheets to record their information to share with classmates!

NONFICTION
ADDITIONAL OPTIONS



You can choose to have students complete any of the following activities after they've read through the animals.
