

SOLVE IT! ADDITION

IN THIS UNIT:

This creative math center will *quickly* become a class favorite in your room! Students can complete it independently over and over, while you can check their work after.

This is the addition version of Solve it!

Place Value, Subtraction, and Number Sense will be coming soon.

In this unit:

- Spinner with directions on how to make it
- 30 different solve it sheets (half-pages)
 - Answer Key
- Blank pages for you (and students) to make their own codes to solve!

HOW TO USE:

Once you have made the spinners, you can put them in your math center with a bunch of different “Solve it!” sheets (there are 30 different ones). Students will grab a spinner and a sheet and their first step is to match the letter and the number in the corner of the sheet. *Students must complete this step or they will not be able to solve the code.*

20 = Y

Name _____

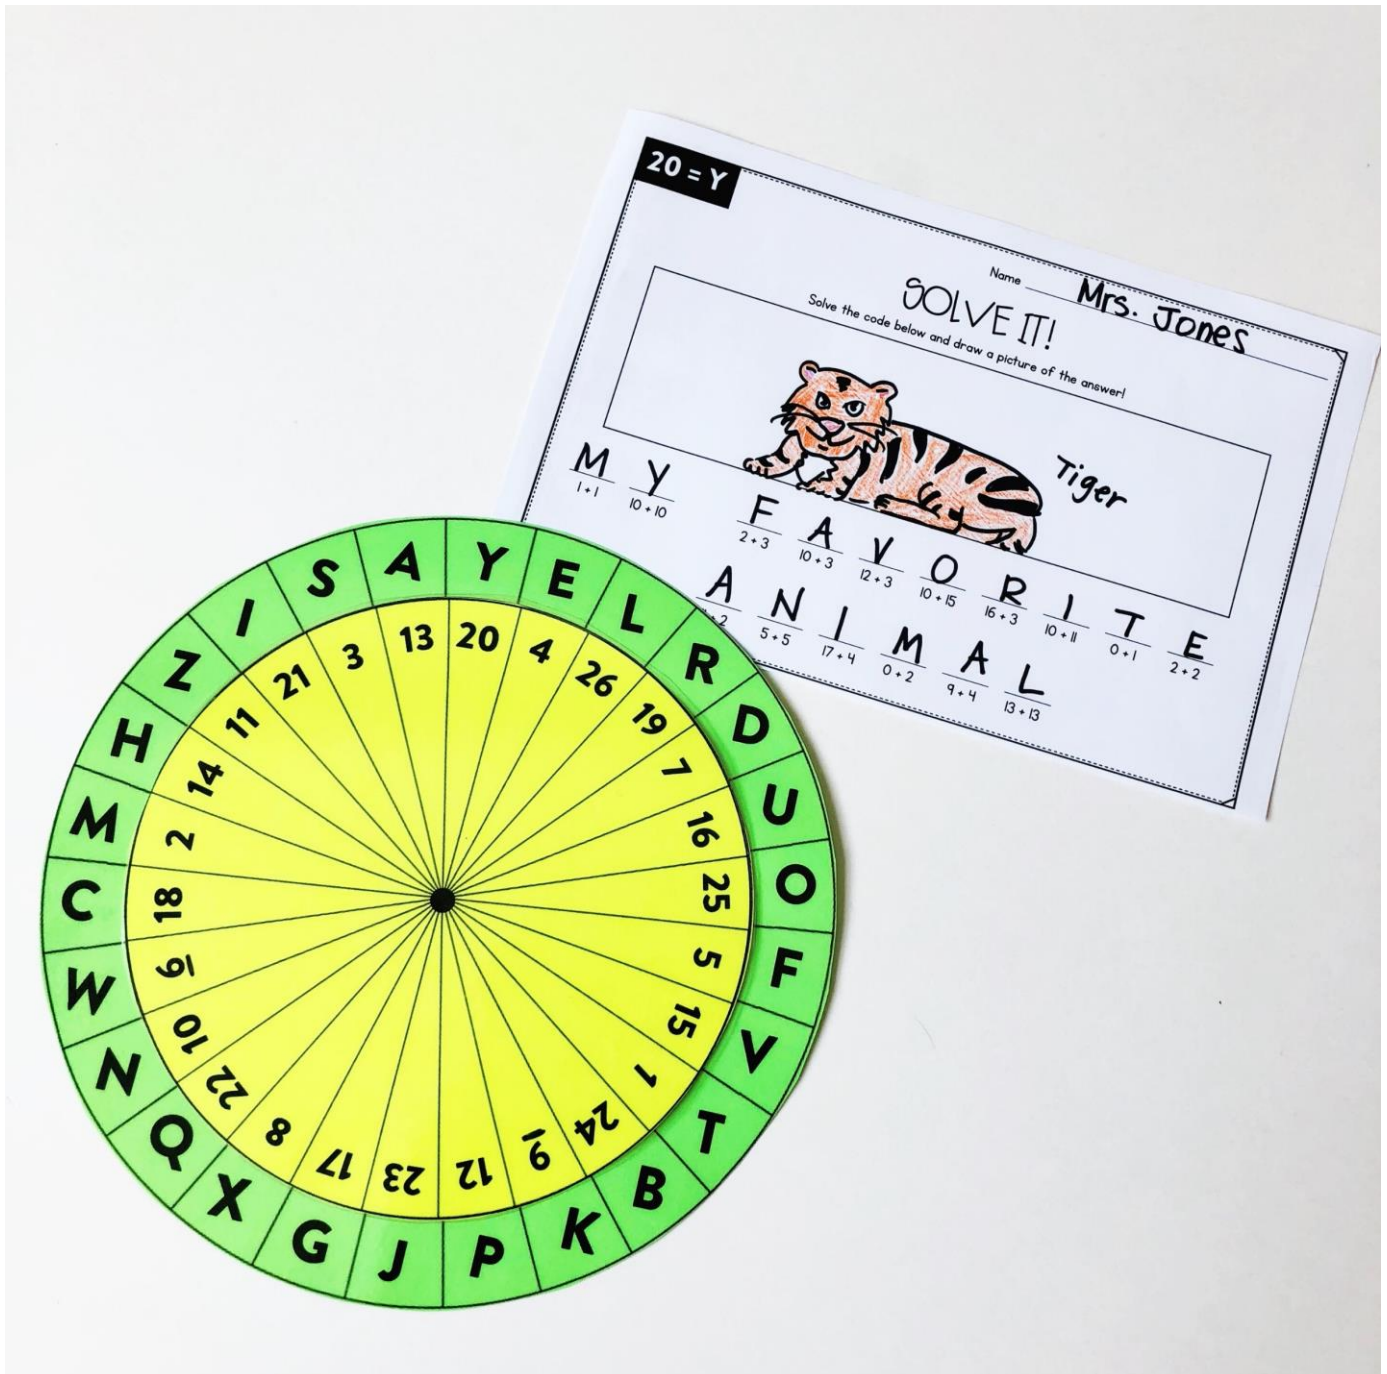

SOLVE IT!

Solve the code below. Then draw a picture and label the answer!

$1+1$ $10+10$ $2+3$ $10+3$ $12+3$ $10+15$ $16+3$ $10+11$ $0+1$ $2+2$

$11+2$ $5+5$ $17+4$ $0+2$ $9+4$ $13+13$

HOW TO USE:

Then students will solve the addition problems to find each letter in the code. The sum will match up with the letter on their spinner. Once they have completed the code, they will draw a picture and label their answer.

20 = Y

Name _____

SOLVE IT!

Solve the code below. Then draw a picture and label the _____.

$1 + 1$

$10 + 10$

$2 + 3$

$10 + 3$

$12 + 3$

$10 + 15$

$16 + 3$

$10 + 11$

$0 + 1$

$2 + 2$

$11 + 2$

$5 + 5$

$17 + 4$

$0 + 2$

$9 + 4$

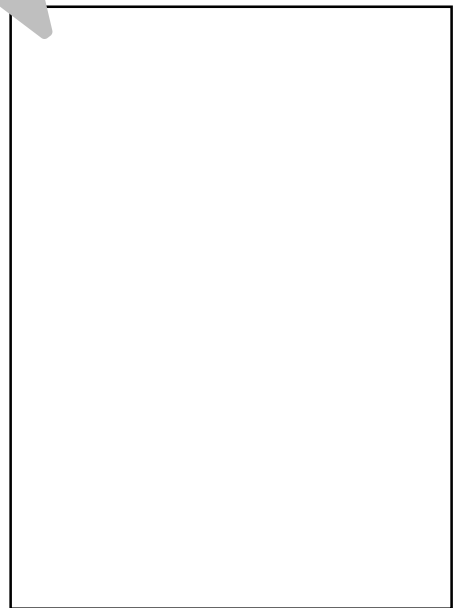

$13 + 13$

7 = Z

Name _____

SOLVE IT!

Solve the code below. Then draw a picture and label the _____.

$10 + 10$

$11 + 8$

$4 + 1$

$7 + 3$

$8 + 8$

$15 + 5$

$0 + 5$

$7 + 6$

$6 + 4$

$9 + 1$

$14 + 3$

$4 + 2$

$0 + 1$

$12 + 8$

$18 + 1$

$1 + 0$

$9 + 4$

$7 + 9$

$5 + 6$

$6 + 3$

$14 + 3$

$13 + 7$

$22 + 1$

$1 + 1$

ANSWER KEY:

<u># = Letter:</u>	<u>Code:</u>
20 = Y	My favorite animal
7 = Z	What I want to be when I grow up
18 = S	A big fluffy bunny
1 = H	I do this in winter
11 = T	A silly snake
21 = C	A cow jumps over the moon
12 = R	Breakfast foods
4 = Z	A rainbow
10 = P	Two big pigs
3 = A	An apple tree
2 = H	Three robots
24 = N	A bird in a tree
20 = X	Itsy bitsy spider
5 = F	School bus
9 = C	My favorite book
