

INTRODUCING: DIGRAPHS/BLENDS MATCH

SUSAN JONES TEACHING

A completely digital, interactive phonics game made for kids!

This game can be played with 1 or 2 players.

Students will simply click on the cards and try to find a matching image and digraph or blends word.

Students will “collect” matching cards until all cards are matched.

In the two-player game, the screen will shift from red to green to show whose turn it is!
