

IN THIS UNIT:

There are 34 **beginning sound** slides in this unit. These slides are meant to be displayed on an interactive white board or on an iPad (or other device where students can access Google Slides).

In each slide, students will identify the beginning sound of the target image in the magnifying glass. Then, they will find the images in the box that have the **same beginning sound** as the target image. There are red circles students can move over if you don't have a pen that works with your interactive board.

The sounds covered include all of the following:

b
c
d
f
g
h
j
k
l
m

n
p
q
r
s
t
v
w
y
z

sh
th
ch
wh

sl
st
sn
sw
gl
cl
bl
dr
fr
pr

When we start to work on blends, I like to use these for students to identify the first 2 sounds they hear in the word. I find this helps with phoneme isolation!

I SPY SLIDES | DIGITAL ACTIVITY

GOOGLE CLASSROOM INSTRUCTIONS

- To access the digital slides click below:

- You will be prompted to make a copy of the resource in your Google Drive. Click the blue box “Make a Copy” and you can locate the file in your Google Drive – feel free to change the name or add/remove slides as you see fit. This way you can assign only certain activities at a time.
- You can always come back here and click the link above to access the FULL resource.
- Go to Google Classroom and add an assignment. Select the Google Drive symbol and find the resource you want to assign to your students.
YOU MUST MAKE A COPY FOR EACH STUDENT!
- Students can type everywhere there is a “type here” box and drag images as they need to complete each activity.

THANK YOU!
