# JANUARY MORNING WORK:
# FIRST GRADE

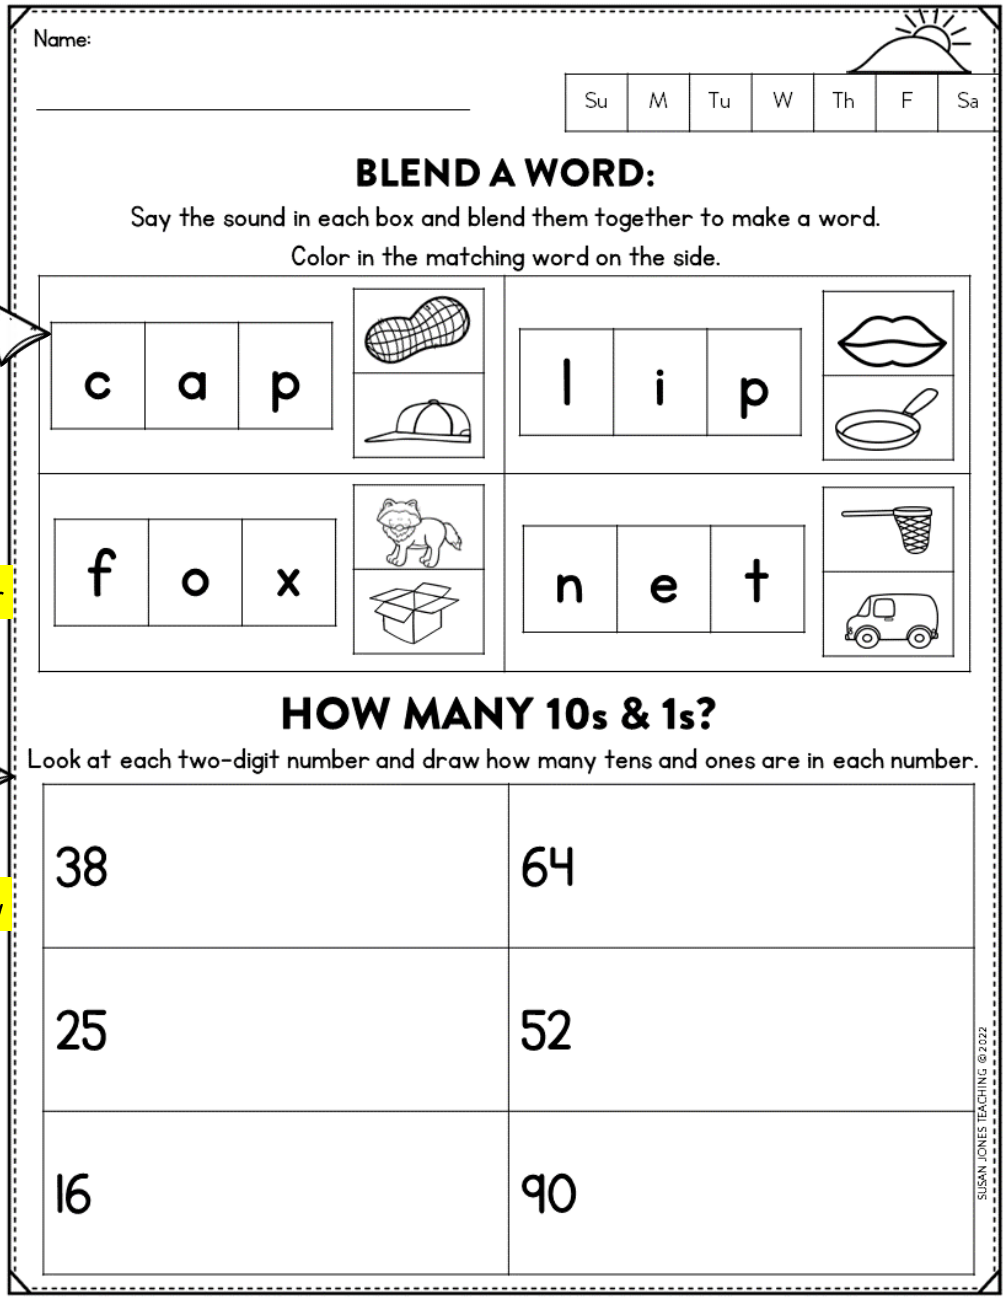
CREATED BY: SUSAN JONES TEACHING

# IN THIS UNIT:

These morning work sheets always have 2-3 sections with a predictable format for students to get used to! There will always be a phonological awareness/phonics review at the top and math review at the bottom.

The skills continue to build upon one another throughout the year and develop at an appropriate pace for first grade students.

<u>The January layout has 2 different sheets, 12 of each page. Page 1</u>:



Each day students will color in the day of the week

Here students will blend the sounds together to make a word. They will color in the correct word.

Here students will draw the tens and ones that are in each number.
