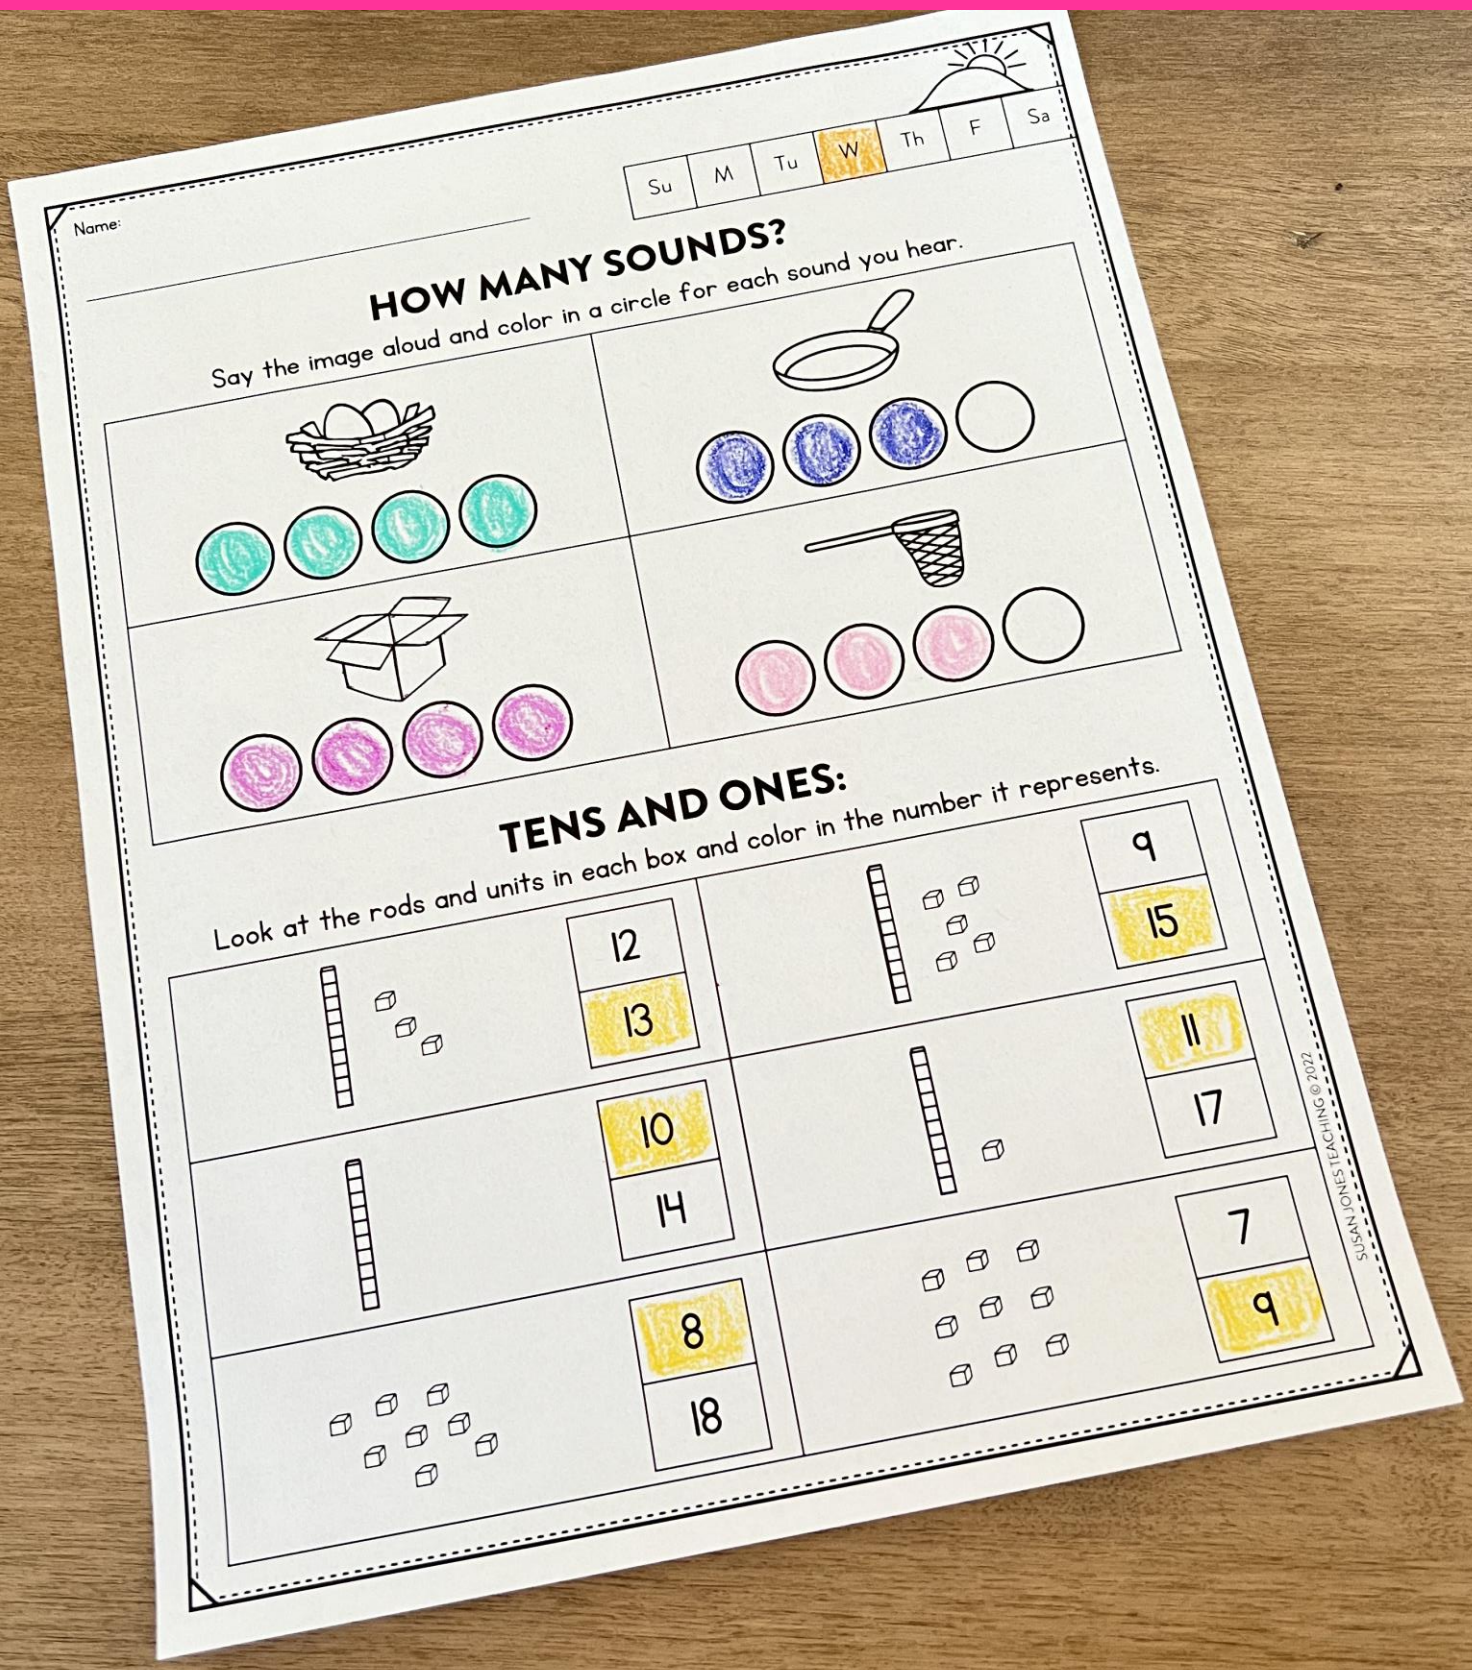
MARCH MORNING WORK:
KINDERGARTEN



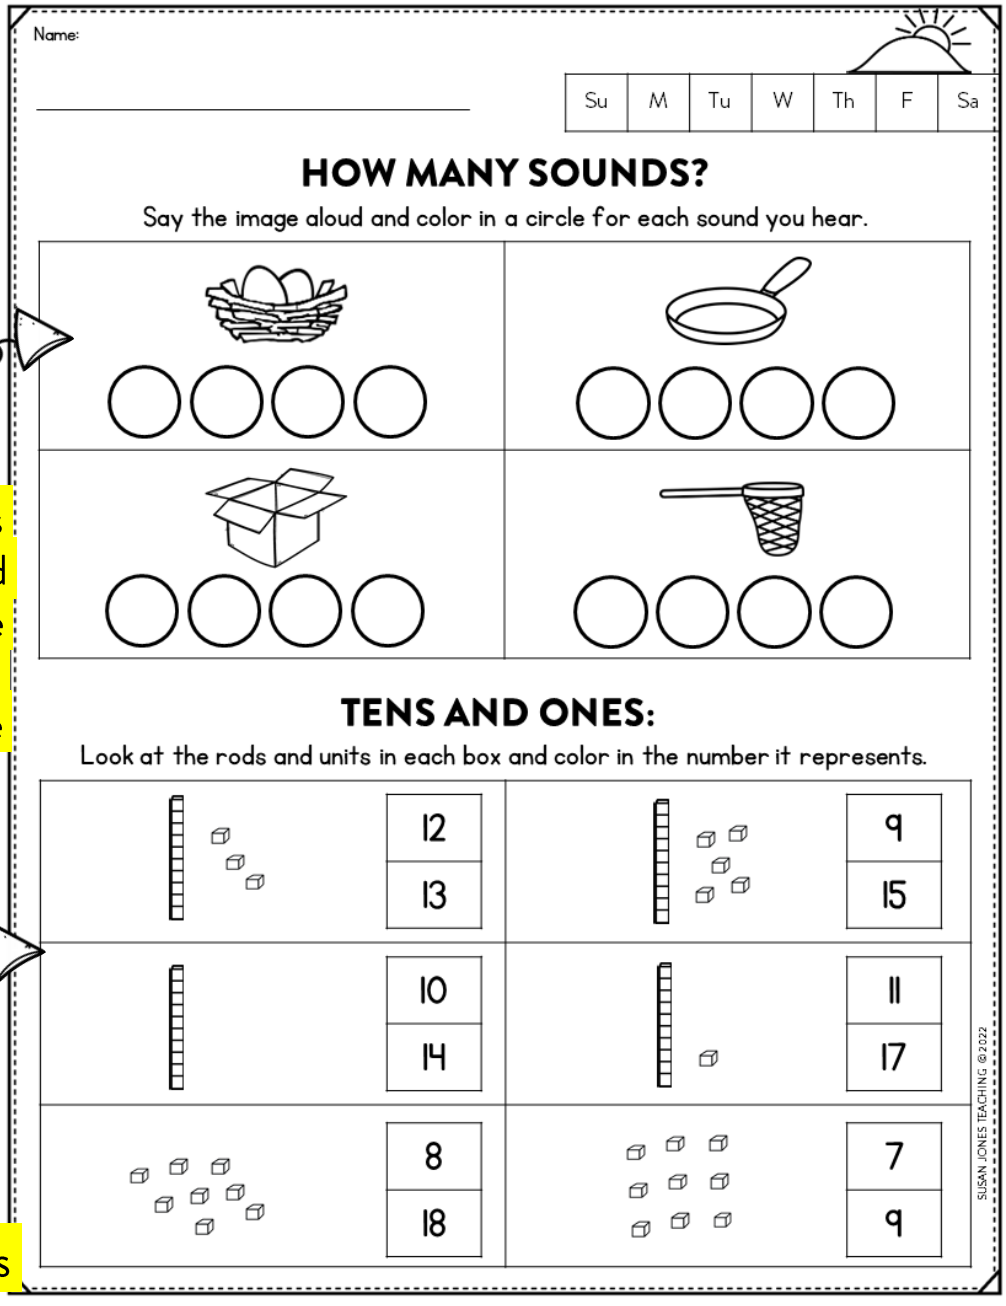
CREATED BY: SUSAN JONES TEACHING

IN THIS UNIT:

These morning work sheets always have 2-3 sections with a predictable format for students to get used to! There will always be a phonological awareness/phonics review at the top and math review at the bottom.

The skills continue to build upon one another throughout the year and develop at an appropriate pace for kindergarten students.

<u>The March layout has 2 different sheets, 12 of each page. Page 1</u>:



Students will segment words into sounds and color in a circle for each sound you hear in the word.

Each day students will color in the day of the week

Here students will count place value blocks to identify numbers within 20.
