

VOWEL TEAM TASK CARDS

These literacy center task cards are a great way for students to practice words reading and writing words with vowel teams. There are four different task card centers included in this unit:

- **Say & Clip:** here students will say the image aloud and identify the correct vowel team found in the word. They can clip or circle the sound they hear.
- **Match the Word:** here students will say the word aloud and find the correct spelling of the word. They will clip or circle the correct spelling.
- **Complete the word:** here students will need to complete the missing vowel team to make the word shown in the image.
- **Rhymes with...:** here students will use the phonological awareness and phonics skills to read the top word, then circle the image that rhymes with it!

Please note: these cards should be laminated so they can be used with dry-erase markers over and over again.

These cards can be stored however you'd like, but I did make them so they fit in these 4x6 photo containers: [Task Card Boxes](#)
