# IN THIS UNIT:

These phonics slides are meant to align with Level 1, Unit 2 of a FUN phonics program! These slides help guide your teaching and make your lessons more engaging.

This unit focuses on CVC words. There are 107 slides in this unit designed to review letter sounds and teach students to blend sounds together to both read and write words.

Here are some example slides:

| | |
|---|---|
|  | • In this unit, students learn to tap sounds to read AND write.<br>• The slides include animations already with images to discuss meaning of words, and letter tiles to help blend and segment words. Be sure to put the slides in "slideshow" view. |
| | • Trick words are introduced in this unit. Students learn how to both read and spell the words using the heart word method.<br>• For each trick word, there is an opportunity it read the word in isolation, read the word in a sentence, and write it. |

<u>Please note</u>: While these slides are meant to accompany a popular phonics program, but are no way affiliated, authorized, or sponsored by any curriculum and my own additions and unique spin have been added to these activities.
