

MORNING MEETING SLIDES (BUNDLE FOR THE YEAR):

These morning meeting slides have everything you need to run a community-building, SEL focused morning meeting with your primary students (great for students in grades K-2).

There are currently 20 days of themed daily slides and when complete, there will be slides for **180 days** of the school year. **PLEASE NOTE THIS IS A GROWING BUNDLE AND IS NOT COMPLETE YET – THIS IS WHY THE PRICE IS STEEPLY DISCOUNTED!**

For each of the days, there are 6 unique slides walk through the following:

- Each day has a new Good Morning slide with a unique clip art on it to signify the day.
- I like to insert a clean up timer on this slide for when I want my students to clean up their morning work/play!
- My favorite is this one: [CLEAN UP!](#)

- Each day walks through the format so students are used to the consistency.
- Once students are cleaned up, I have them sit in a circle on the rug to begin.
- We walk through the same 4 steps: breathing, greeting, message, and activity.

breathing:

Box breathing: trace the square starting from the top left corner. Breathe in for 4 seconds as you trace that top side. Then hold for 4 seconds. Breathe out for 4 seconds, then hold for 4 seconds. Repeat 3 times.

- Each day has its own breathing exercise to center students and get them ready for the day.
- The breathing only takes a few seconds and is kid-friendly and engaging.

greeting:

Simple name greeting:
Go around the circle and say good morning to the classmates sitting next to you. Be sure to say their name. "Good morning _____"

- Each day has its own fun greeting for students to greet every person in the classroom by name.
- This helps build classroom community and learn one another's names quickly at the beginning of the year.

message:

- Each day we write a message to the class.
- This slide is 100% editable so you can type in whatever message you would like and I give ideas to plug in!

activity: **weekend news**

Weekend news: everyone who wants to can share one short thing they did over the weekend.
SEL: the rest of the class will focus on looking at our speaker and not interrupting while they speak.

- Each day of the week has its own activity with prompts:
- Monday: weekend share
- Tuesday: tell me Tuesday
- Wednesday: would you rather
- Thursday: yoga break
- Friday: class activity
