IN UNIT 8:

These phonics slides are meant to align with Level 1, Unit 8 of a FUN phonics program! These slides help guide your teaching and make your lessons more engaging.

This unit reviews all previously taught concepts. There are 90+ slides in this unit designed to explicitly teach students how to read and write words with consonant blends and digraph blends. Students also learn to read words with r-controlled vowels.

Here are some example slides:

<table>
<tr>
<td> </td>
<td>

- Students will learn the difference between digraphs and blends.
- They will read and write words with 4 sounds including digraphs, blends, and digraph blends.

</td>
</tr>
<tr>
<td> </td>
<td>

- Students will also learn how to read words with r-controlled vowels (ar, or, ir, er, ur).

</td>
</tr>
</table>

<u>Please note</u>: While these slides are meant to accompany a popular phonics program, but are no way affiliated, authorized, or sponsored by any curriculum and my own additions and unique spin have been added to these activities.
