

IN UNIT 14:

These phonics slides are meant to align with Level 1, Unit 14 of a FUN phonics program! These slides help guide your teaching and make your lessons more engaging.

This unit is the culminating unit meant to help students review ALL previously taught skills in Level 1.

Here are some example slides:

	Students will practice word chaining and phoneme manipulation in this unit with all skills we've learned.
	Each day students will review a different skill to deepen their understanding.

Please note: While these slides are meant to accompany a popular phonics program, they are in no way affiliated, authorized, or sponsored by any curriculum and my own additions and unique spin have been added to these activities.
